

Agreement for a memorable and safe stay

The Centre de Villégiature de Jouvence and La Petite Auberge de Jouvence are committed to:

- Putting in place stringent safety and hygienic measures in view of the pandemic.
- Have an action plan should someone have symptoms or is found to be positive with COVID-19.
- Offering an experience that greatly meets your expectations, while respecting public health directives.
- Communicating with you clearly and with transparency, as well as answer your questions to the best of our ability.
- Offering a courteous and enjoyable environment to all guests.

All public places frequented by people are subject to an inherent risk of exposure to COVID-19. COVID-19 is a highly contagious disease that can cause serious illness and potential death. By visiting Jouvence, you voluntarily assume the risks related to COVID-19 exposure.

I, as well as the people accompanying me, hereby agree to:

- Being free of symptoms at the time of checking-in.
- Not having been in contact with anyone with COVID-19 symptoms 14 days prior to our arrival.
- Notify Jouvence staff members should we have one or more COVID-19 symptoms during our stay.
- Respect all sign directives on the site, as well as all instructions given by Jouvence staff members.
- Respect social distancing in effect at the time of our stay.
- Be respectful of staff members and other guests on the site.
- Inform a staff member should we witness a problematic situation or a breach of this agreement.
- Follow all public health's instructions in effect at the time of our stay.
- Enjoy ourselves, have fun and relax for the duration of our stay!
